These images are for illustrative purposes only and the colour selection should be done with a trained expert on hand to discuss your expectations as the actual finish and water colour may differ from images. Ocean Diamond strongly recommend viewing pools when deciding on a colour.

Many factors such as depth of water, angle of sunlight and surrounding landscapes can all be determining factors in the colour and appearance of Ocean Diamond finish. Water colour may differ slightly as variation in shade and contrast are natural. Consider these factors when choosing your colour..
